### FEATURES

<b>Paychecks on Demand</b>	Easily and instantly void and re-issue single off-cycle checks and update the appropriate accounts, including employee earnings, deductions, tax withholdings, and employer tax liability.
<b>Built-In Direct Deposit Processing</b>	Now you can deposit employee pay to an unlimited number of banks under NACHA standards with the click of your mouse.
<b>Multi-tiered Time Entry Processing</b>	You can enter time for multiple companies, pay groups, and employees during the same session to accommodate work situations not based on a standard weekly or biweekly pay period. For added flexibility, you can view the cumulative total of hours as time is entered for each employee and track available year-to-date vacation, personal, and illness accrual balances while inputting employee time.
<b>Gross Up Calculation</b>	You can automatically calculate gross pay by entering a base net pay during the time entry process.
<b>Real Time Changes</b>	Sage Abra Payroll lets you change an employee's calculated voluntary deductions or tax withholding prior to check processing, saving you time and money.
<b>Immediate Access to Critical Information</b>	Reconcile payrolls and quarter-ends with up-to-the-minute facts and instant analysis that include a gross-to-net, 941 audit, and an employer tax liability.
<b>More than 100 Standard Reports</b>	Check on such information as payroll deposit requirements, workers' compensation costs and unemployment and disability wages. You can view a report on the screen, as a printout, or as a file that you can export to use in other software applications such as Microsoft Excel.
<b>Built-in Report Writer</b>	Create unlimited custom reports to meet needs unique to your organization.
<b>ACH Credit and ACH Debit Filing Methods</b>	Sage Abra Payroll filing methods let you comply with IRS filing requirements for the Electronic Federal Tax Payment System
<b>Tax Compliance</b>	Sage Abra Payroll maintains and supports federal, state and more than 4000 local taxes.
<b>Built-In Government Forms</b>	Complete necessary paperwork with forms such as W-2, 1099-MISC and 1099-R, W-3, 941 and 943 preprinted forms, and unemployment tax reports.
<b>Multiple Check Printing Options</b>	Customize your own payment forms for check and earnings statements and direct deposit advices by incorporating company logos, subsidiary names and other data. You can print on several types of check or direct deposit stock in a variety of check formatting options.
<b>Laser Check Cutting</b>	Cut printing costs with Laser Check MICR for MICR-encoding on blank check stock. Provide automatic signature printing with convenient laser check signature.
<b>Multi-level Security</b>	Protect key information with sophisticated multi-level security. You can create and assign an unlimited number of user IDs and passwords. Easy-to-follow audit trails help you to identify who made each change by date, time, and type.
<b>Integrated Tax Filing Service</b>	Tax liability summary files are created by Sage Abra Payroll; taxes can then be filed through Sage Software Tax Filing Service.
